8 February 2010

Dear Member

**Re: Scottish Cardiac Society Spring Meeting - Wednesday 21st April 2010 -  
Dunblane Hydro Hotel**

I am delighted to enclose a final programme for the above meeting. It promises to be a stimulating and topical day and I hope most of you will plan to come. You will see there are sessions on training, new diagnostic and therapeutic treatments and a 'potpourri' of talks on various aspects of Scottish Cardiology. The registration fee is £20 per delegate which includes lunch and refreshments. We are particularly keen to welcome guests such as Physiological Measurement Technicians and Specialist Nurses so we encourage you to publicize the meeting widely within your department. I enclose a registration form for members with space for guests. As we are paying on a per head basis this year can I please stress the importance of advance registration (we are limited to a hundred places). Please return all completed registration forms to Helen Elliott **before Wednesday 7th April 2010** to the address shown on the form.

I look forward to seeing you at the meeting.

With kind regards

Yours sincerely

Paul Broadhurst  
Secretary  
Scottish Cardiac Society
